An English Paraphrase

My Living Lord

My living Lord,
You are above everyone.
Everywhere I travel,
I want to be with you.

Chorus

Near you,
Near you.
Wherever I go,
May I journey with you.

I'm not looking for resting here
or comfort.
With happiness I must work
To be with you.

Chorus

On the day I die
Help me, Lord;
To go to heaven
To be with you.

Chorus
